

**IN THE UNITED STATES DISTRICT COURT
FOR THE WESTERN DISTRICT OF VIRGINIA
BIG STONE GAP DIVISION**

UNITED STATES OF AMERICA

v.

**AMBER NICOLE BURTON,
Defendant**

Case No. 2:19cr00004

ORDER

This matter is before the court on the Government's Motion To Suppress Evidence, (Docket Item No. 33), ("Motion"), seeking to preclude the defendant from presenting any evidence at trial not previously disclosed to the Government as required by Federal Rule of Criminal Rules 16(b) and 26.2 and the court's May 20, 2019, Order. Defense counsel has responded to the Motion, conceding that, to date, no such evidence has been disclosed to the Government by the defendant and noting that the Government's disclosures have not been timely made pursuant to the court's May 20, 2019, Order.

Based on the above, the Motion is **GRANTED** in part and **DENIED** in part, and it is **ORDERED** that, unless further permitted by the court, neither party may offer any evidence at trial which was not timely disclosed pursuant to the court's May 20, 2019, Order.

ENTER: July 30, 2019.
